Hi all –

Here are my comments. I'm finishing up the overall paper for the Deb T pre-brief and will get that out soon.

You'll see I had Betsy set up a pre-brief for Tues Nov 29 with Deb and folks in the Region. I think that's when we'd have the meat of this Class I vs Class V options discussion. Betsy is working on getting a meeting with the Administrator scheduled for Dec 1 or 2. If that works, we could then look at Monday Dec 5th as our next possible issue date. Then we could still meet the 30 day PN requirement prior to the first hearing. Let me know if you have any concerns about this timing as I know we have a lot of coordination to do with OW, OAR, and OGC between now and the briefings.

Thanks

Sarah E. Bahrman | Acting Director, Safe Drinking Water Program | U.S. Environmental Protection Agency - Region 8
